

Summers in the UAE have a lot to offer in terms of activities for your little and not so little ones. From camps featuring arts, crafts, cooking classes and science experiments to the ones offering swimming, drama, dance, singing and sports, there is so much to explore. Many popular schools, hotels, entertainment destinations also organise summer camps and are located all over major Emirates so that you can pick the one that suits you and your kids best. Whether you choose an in-person or virtual summer camp, there are many options available.

While this list tries to cover a wide range of activities, it is in no way exhaustive.
